# Looking for Volunteers

---

Like to publicly thank those residents who have volunteered their time and efforts to assist FOOL this past year.

FOOL is always looking for resident-volunteers to work independently or collaboratively in areas including the FOOL Executive Committee, environmental law, citizen-science, government grant acquisition, or as a general volunteer.

Contact FOOL is you're interested!

### The Lake Partner Program

Monitoring Ontario's inland lakes through citizen science

#### What is the Lake Partner Program?

- The Lake Partner Program (LPP) is a water quality monitoring program run through the Ontario Ministry of the Environment, Conservation, and Parks (MECP), and the Federation of Ontario Cottagers' Associations (FOCA).
- Water samples are taken entirely by volunteers, from hundreds of lakes.
- These samples are sent to the Great Lakes Environmental Science Centre (GLESC), where they are analyzed on-site.

More than 600 volunteers registered

---

Over 500 lakes being sampled

---

More than 600 active sampling sites

*"I consider our lakes a valuable heritage that needs to be protected." - LPP volunteer*
